

Mission Statement

Giving Hope Today.

We will achieve this mission by providing programs and services that encourage positive life-changing experiences, promote wellness, encourage excellence, build character and inspire faith for all people who come into our sphere of influence.

Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness.

The Program

The Salvation Army Community Support Services offers help to individuals and families that find themselves struggling throughout the year.

These programs often provide an opportunity to help others access other social services offered through the community.

The Salvation Army is committed to serve all persons with dignity and respect.
