

VOLUNTEER ROLE POSTING

INDOOR/OUTDOOR PLANT CARE

Location:

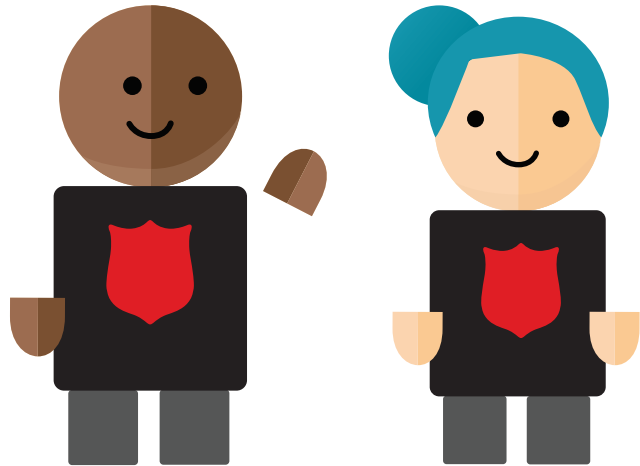

12510-140 Ave & 12520-140 Ave

Time Commitment:

1-2 hours weekly, flexible

Working Conditions:

residential facility indoor and outdoor grounds

Role Purpose Summary:

Do you enjoy working with your hands and have an aptitude for plants and gardening? We are needing a plant care volunteer to assist us in maintaining our indoor living plants, and watering the outdoor beds in the summer, for sites at The Salvation Army - Edmonton Centre of Hope Grace Village and Grace Manor.

This volunteer role provides an opportunity to create greener spaces and to promote a pleasant environment for our residents, participants, and staff.

Key Accountabilities:

- Monitoring/caring for indoor plants and flowers in the building; which includes watering, trimming and transplanting when necessary.
- Watering outdoor flower beds, as needed seasonally.
- familiarity with plants (mainly standard tropical indoor plants).
- Patient, positive disposition and a willingness to help others.
- Good, clear communication skills.
- Ability to maintain conversation while maintaining professional boundaries.
- Familiarity with geriatrics and/or vulnerable populations an asset.
- Vulnerable Sector Check and references are mandatory for this position.
